## CITIZENS URGED TO ATTEND BIG U. S. O. RALLY NEXT MONDAY NIGHT

A meeting of Hondo citizens is  
hereby called by Dr. T. B. Knopp,  
U. S. O. Chairman, to convene at 8  
P. M. in the Sons of Herman Hall.

Following a meeting of the local  
U. S. O. Council his past Monday  
night, Dr. Knopp, Chairman of the  
local council, called this next meet-  
ing, which will be thrown open to  
the public, and all members of the  
council are expected to be present,  
together with all citizens who are in-  
terested in U. S. O. work or want to  
know more about the functions of  
this activity in Hondo.

The last meeting, according to Dr.  
Knopp, was a very enthusiastic one.  
Plans for renovating and furnishing  
that part of the Jungman building,  
which has recently been leased by  
the U. S. O. were discussed, acted  
upon, and it is to be expected that  
work will actually begin this week.

In commenting on the U. S. O. Dr.  
Knopp expressed the wish that the  
citizenship of Hondo be better ac-  
quainted with the wide scope of this  
work and the necessity for a better  
understanding of it by the citizen-  
ship at large, and he made an espe-  
cial plea for the ladies of the city to  
be in attendance and learn of the  
aims and purposes.

The plans for the renovation are  
quite extensive, and when completed,  
Hondo will have a U. S. O. unit that  
it may well be proud of, ranking with  
many of the larger units.

The particular U. S. O. in Hondo  
is under the direction of the National  
Catholic Community Service, of  
which Father C. Garcia is moderator.  
There will be an associate director  
from the Young Women's Christian  
Association, who according to noti-  
fication just received is to arrive on  
November 1st.

It is sincerely hoped the citizen-  
ship of Hondo will show their inter-  
est by attendance Monday night.

## MEDINA COUNTY MEN ANSWER CALL TO SERVICE

Selective Service and calls for en-  
listment in the various branches of  
the armed services of the United  
States, a large number of Medina  
County men and youths have been  
inducted in the past weeks, accord-  
ing to information from the Medina  
County Draft Board. A group of  
draftees reported to Fort Sam Hous-  
ton, Texas, on October 13, to be in-  
ducted into the Army. After four-  
teen days leave in which to close  
their business affairs, the following  
men will report back for active duty  
and to be assigned posts:

Reymundo Pompa, Devine; Pedro  
Castillo, Devine; Ray P. Chacon, De-  
vine; Eufasio Castillo, Hondo;  
Benancio Reyes, Natalia; Esequiel  
Rodriguez, Natalia; Santos Mares,  
Devine; Manuel Duran, Hondo; Manuel  
Leal, Yancey; Pascual Esparza Pe-  
roza, Natalia; Yrino Hernandez,  
Devine; Guadalupe Hernandez, Hon-  
do; Francisco S. Riojas, Devine;  
Ray Wesley Ward, transferred in  
from San Diego, Duval County; and  
Benito DeLeon, transferred in from  
Belton, Bell County.

Since September 27 and including  
October 15 the following have en-  
listed in some branch of the armed  
services: Joe D. McCullough, De-  
vine; John Tondre, D'Hanis; Francis  
H. Flach, Jr., Castroville; Clarence  
Carter, Devine; Edward B. Edwin,  
Hondo; Julius H. Reitzer, D'Hanis;  
Patrick J. Mangold, Devine; Sam  
Haralson, Hondo; Ira McMillan, De-  
vine; Hubert H. Hermes, Hondo;  
Charles Saathoff, D'Hanis; and  
George C. Summerer, Hondo.

## BEWARE OF THE SPEED LIMIT

"The 35-mile speed limit on all  
highways will be enforced beginning  
this morning," according to Louis  
R. Manz, Texas Highway Patrolman  
for this area, in an interview with  
a representative of this paper Thurs-  
day morning. Mr. Manz stated that  
this law has been in effect since  
Oct. 1, and now that the 35 mile-per-  
hour signs have been erected by the  
Highway Department the law will  
be strictly enforced. Violators may  
be prosecuted in either State or  
Federal courts. Offenders may, in  
addition to the penalty imposed by  
the court be denied gas rationing  
cards and be denied new or recapped  
tires, as the Federal Government  
sees fit to impose. The speed limit  
within the city limits of all towns is  
30 miles per hour as prescribed by  
the state law. Mr. Manz emphasized  
the fact that these regulations apply  
to all public thoroughfares as well  
as designated highways.

The Texas Highway Patrol is an-  
ticipating fine cooperation from all  
motorists.

## PIG CLUB BOYS TO SHOW GILTS

County Agent C. M. Merritt asks  
us to announce that the Pig Club  
boys will have a show and judging  
of their gilts in Hondo on Saturday,  
November 7th, to determine those  
eligible to compete for district hon-  
ors at San Antonio on the following  
Monday, November 9th.

A more extended announcement  
will appear in a later issue of this  
paper.

## HONDO STUDENT AT TEXAS LUTHERAN COLLEGE SPENDS SPARETIME SELLING BONDS AND STAMPS

Seguin, October 20.—Delores  
Lorling, a freshman student from  
Hondo, spends her sparetime at Tex-  
as Lutheran College selling bonds  
and stamps from a downtown booth in  
Seguin.

Miss Lorling, who is the daughter  
of Rev. and Mrs. M. J. Lorling of  
Hondo, is shown above at right with  
Joyce Jauer of Karnes City as they  
are about to make a sale.

Miss Lorling is among the twenty-  
two T. L. C. co-eds who spend their  
Saturdays selling bonds and stamps  
to bolster the sale in Guadalupe  
County.

## NEWS NOTES From The Navigation School

Issued by the Special Service Office, AAFNS, Hondo, Texas.

## GRADUATING CADETS ARE TOLD TO SEEK OFFENSIVE SPIRIT

With an admonition to "hit the  
enemy as hard as you can," Lt. Col.  
George B. Dany, director of training  
at the AAF Navigation School, deliv-  
ered the commencement address to  
graduating cadets of Class 42-14  
Saturday morning in the Navigation  
School post theatre.

"Direct all of your efforts and  
energies toward offensive action,"  
Lt. Col. Dany said. "Pledge your-  
selves to the offensive spirit. Hit  
the enemy as hard as you can."

Following the graduation address,  
the cadets were presented their com-  
missions as second lieutenants in the  
Army Air Forces. The commissions  
were handed to the cadets and they  
were given the oath of allegiance by  
Lt. William N. Gaylord, Jr., secre-  
tary of the Navigation School. The  
silver wings of Army Air Forces nav-  
igators were then presented to the  
newly-commissioned second lieuten-  
ants by Lt. Col. Benjamin B. M.  
Tarver, Jr., assistant director of  
training.

The Manchee-Marantz trophy  
awarded to the outstanding member  
of each graduating class of cadets  
was presented to 2nd Lt. Dan R.  
Winchell, 24, Rockport, Ind., during  
the graduation exercises.

The Manchee-Marantz trophy is  
presented to the member of each  
graduating class who shows the high-  
est proficiency in ground school  
work, flying ability, meteorology  
and military tactics during his 15  
weeks of training as a cadet.

To 2nd Lt. Robert B. Robinson,  
26, Sherman, Texas, went the La  
Roche Memorial Trophy presented  
to the member of each graduating  
class who scores the highest marks  
during his cadet training.

At the completion of the gradu-  
ation ceremonies at the Post Theatre,  
the cadets conducted their first re-  
view of underclassmen, on the run-  
ways of the Navigation School. At  
completion of the parade, an award  
was made to Group 2 Cadets, who  
were judged the outstanding group  
in the parade. The award was made  
on the basis of general military bear-  
ing and excellence.

An innovation in athletic com-  
petition among the graduation cadets  
was the "physical fitness" tests giv-  
ing Saturday morning to the gradu-  
ating students. In these tests—a  
determination of athletic prowess—  
Cadet James L. Sefton, East Chicago,  
Ind., won first place; Cadet  
George O. Joyce, North Kansas City,  
Mo., was second; and Cadet Robert  
L. Forbes, Sacramento, Calif., was  
third.

Each winning cadet was presented  
with an athletic trophy.

The athletic competition—consist-  
ing of strenuous feats of athletic  
prowess, as well as calisthenics—  
will be given to each succeeding  
graduating class, Saturday morning,  
before the graduation exercises.

The newly commissioned lieuten-  
ants of Class 42-14 were guests Sat-  
urday night at a dinner-dance at the  
Gunter Hotel in San Antonio.

All of the graduating class began  
this week their assignments to active

duty with the Army Air Forces.  
Some were assigned to additional  
training, some became instructors,  
and others will go soon to active ser-  
vice in foreign lands.

## ARMY AIR FORCES NEED MEN TO RUN 'INTERFERENCE'

Quarterback runs 95 yards for  
touchdown! How many times have  
you seen this headline? But where  
would that quarterback have been  
called had it not been for the skillful  
interference provided him by his ten  
defenses?

So it is in the air with the Army  
Air Forces, Capt. E. G. McLemore,  
Hondo technician procurement of-  
ficer, observed as he called attention  
to the Nov. 1 closing date for en-  
listment of men with mechanical or  
radio experience into the Air Corps.  
"Pilots, co-pilots, bombardiers,  
and navigators—the 'backfield' of  
our fighting air armada—are as  
much dependent upon the men who  
service their planes, receive and send  
their messages, and help them keep  
on the 'beam' as any All-American  
halfback ever was on the line men  
who opened the holes for him," Capt.  
McLemore explained.

The United States is building the  
largest Air Force the world has ever  
seen and the success of this force and  
the victory which it must and will  
score over the Axis nations is largely  
dependent upon the men who keep  
the aircraft in fighting trim. The  
nationwide campaign to enlist me-  
chanics and radio technicians closes  
Nov. 1. This will be the last chance  
for enlistment directly into the AAF,  
Capt. McLemore said.

Enlistment and the opportunity to  
serve their country where they are  
needed most, to work with the finest  
equipment and the newest and  
fastest planes is open to men between  
the ages of 18 and 50. Although a  
mechanical background or radio ex-  
perience is helpful no previous ex-  
perience is essential, and advance-  
ment comes rapidly for all who show  
technical skill and work at their jobs.

Capt. McLemore pointed out that  
men classified by their draft boards  
as 1-B are eligible and that many  
men who have been enlisted in the  
two-month-old drive come from this  
group.

Following a week or so of "pro-  
cessing", during which recruits are  
classified and given their equipment,  
the men enlisting for this specialized  
service, if they request, may be as-  
signed to the Gulf Coast area. Ad-  
vancement to the rank of master  
sergeant with pay of \$138 a month  
in addition to board, housing, uni-  
forms, and medical care is possible.  
Special rations and quarters allow-  
ances are provided in addition for  
married non-commissioned officers.

Among the men who have joined  
up during the AAF campaign are  
the following from Hondo, all of  
whom have been processed and are  
now stationed at Hondo: Chester M.  
Balzan, August C. Steffler, Otis H.  
Burrell, Charles R. Finger and Paul  
G. Morrison.

Additional information and applica-  
tions for enlistment can be obtained  
from Capt. McLemore, technician  
procurement officer at the AAF  
Navigation School, Hondo, Texas.

Those interested are invited to visit  
Hondo for an interview.

Young men of 18 and 19 who may  
not be especially interested in the  
Air Corps may enlist in any branch  
of the Army at Capt. McLemore's of-  
fice. Young men enlisting now will  
have the jump on others of their  
age who wait to be drafted. Enlist-  
ment now permits selection of any  
branch of the army.

## NAVIGATION OFFICERS TO AT- TEND 'NAVIGATOR'S HOP' SATURDAY

All officers of the AAF Naviga-  
tion School are invited to attend the  
'Navigator's Hop' Saturday night  
in the main ballroom of the Gunter  
Hotel in San Antonio. The dance  
will begin at 2100.

Tickets to the dance are available  
on the post. Admission is \$2 per  
couple.

Music for the dancing will be fur-  
nished by Johnny Fielder and his  
orchestra.

A group of entertainers from the  
Navigation School will present sev-  
eral skits and acts, under the direc-  
tion of Pfc. Sammy Schachter.

## MAJOR A. R. WEIGEL APPOINT- ED ADMINISTRATIVE IN- SPECTOR

Major Arthur R. Weigel, former-  
ly commanding officer of the 369th  
Air Base and Base Headquarters  
Squadron, this week was appointed  
Post Administrative Inspector for  
the AAF Navigation School.

Major Weigel came to Hondo  
from Kelly Field, as commanding  
officer of the 840th School Squad-  
ron. He later was assigned to the  
369th, then received an assignment  
to an Army Service School. Upon  
his return to the field here, he was  
relieved from his assignment as  
369th's commanding officer, and ap-  
pointed to his new assignment as  
Post Administrative Inspector.

## CAPT. CROCKER APPOINTED NEW OPERATIONS OFFICER

Captain John P. Crocker, former-  
ly director of flying for the AAF  
Navigation School, this week became  
the field's new Operations Officer,  
succeeding Capt. John R. Tower,  
who is being transferred to Foster  
Field, Victoria, Texas.

Capt. Crocker, a native of Long  
Beach, Calif., came to the AAF Naviga-  
tion School from Kelly Field. He  
was formerly stationed at the Stear-  
man Aircraft Factory, Wichita,  
Kans., and at Randolph Field. A  
graduate of Iowa State College, he  
was a newspaper reporter in civilian  
life. He was commissioned in March,  
1940.

Capt. Tower, whose home is Wey-  
mouth, Mass., has been Operations  
Officer since the Navigation was or-  
ganized here. He was formerly a  
meteorological instructor at Ran-  
dolph Field.

## BRIG. GEN. NAIDEN ADDRESSES OFFICERS OF NAVIGATION SCHOOL

Brig. Gen. Earl Naiden of the Ar-  
my Air Forces addressed a meeting  
of officers of the AAF Navigation  
School last Saturday afternoon at  
the post theatre on his recent expe-  
riences in India and Java.

Brig. Gen. Naiden has just returned  
from an extensive tour of the Far  
East. In his lecture, he described  
the geography, customs, and peoples  
of the various countries he visited  
on his tour.

A nephew of Brig. Gen. Naiden,  
Lt. James R. Naiden, is a naviga-  
tion instructor at the AAF Naviga-  
tion School here.

## RECREATION PARK IS DONATED TO AAF NAVIGATION SCHOOL

A recreation park for the exclu-  
sive use of personnel of the AAF  
Navigation School has been estab-  
lished north of Sabin, and will soon be  
available for picnics and other super-  
vised recreational activities.

The AAFNS park is a part of  
the Garner State Park on State  
Highway No. 4, about 25 miles north  
of Sabin. The park area was made  
available to the Navigation School  
by arrangement with the Texas State  
Parks Board.

Known as the old CCC camp, the  
park area is at the foot of a steep  
hill at the left of the main entrance  
road to Garner State Park.

## GROUP 3 CADETS ARE GUESTS AT SERVICE CLUB DANCE

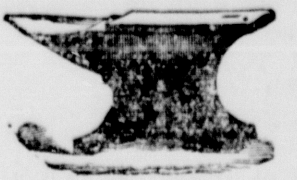

Navigation Cadets of Group 3 of  
the AAF Navigation School and  
their wives and dates were guests at  
a dance Wednesday night at the  
Navigation School Service Club.

Music for dancing was furnished  
by Sgt. Doug Ackley and his AAFNS  
band.

The Service Club was closed to the  
remainder of the post Wednesday  
night.

## NAVIGATION SCHOOL PER- FORMERS WILL PRESENT SHOW IN S. A.

A group of performers from the  
AAF Navigation School will present  
'Funzapoppin'', a satirical revue,  
at the Jewish U. S. O. Club in San  
Antonio, Sunday night, October 25,  
at 8 p. m., under the supervision of  
Capt. Charles A. Baril, Special Ser-  
(Continued on last page)

## THE LOW DOWN FROM HICKORY GROVE

In our town here, they have  
called our Supt. of schools to  
Wash., D. C., to help design  
some new kinds of teaching. To  
the fellows on their way to the  
war camps, she looks dubious to  
see 'em using up man power to  
discover more new and left-  
handed or cracked ideas for  
schools. It will take a super  
person and an inventive kind of  
duck to think up anything more  
novel than what we have al-  
ready.

You can tap dance yourself  
right smack thru High School  
today and get as big a diploma  
as you would get if you knew  
something about, who was  
Aesop—who is profiting by so-  
cialism or vice versa—how much  
is 6 per cent of 1,000 pesos,  
which is the average cigarette  
expense per smoker per annum.

She seems to be the modern  
idea that all towns are so simple  
and dumb that they have no  
ideas of their own on how to run  
their own schoolhouse. If I had  
a steel like Paul Revere rode,  
I would like to canter up and  
down our Main Street warning  
the citizens versus just scrib-  
bling.

Yours with the low down,  
JOE SERRA

## BAPTIST CHURCH NEWS

R. R. Gresham, Pastor  
Sunday School—10:00 A. M.  
Morning Worship—11:00 A. M.  
Training Union—6:30 P. M.  
Evening Worship—7:45 P. M.  
Study Course each evening at 7:30  
P. M.

Your new pastor is indeed happy  
to be on the field to work directly  
with you. He is indeed anxious that  
the work of the Lord be carried on in  
the best way possible. May you all  
be praying and working with him to  
carry on the work in a better way  
than ever. We are looking forward  
to an excellent Sunday School. We  
have some fine teachers, who are  
very anxious to see you present in  
their classes. There is a place for  
each one, from the youngest to the  
oldest. There are many Baptists  
who are not in Sunday School, and  
many others who will feel better for  
having come and worshipped with us.  
May we see you Sunday?

The Young People are having a  
fine study course each evening this  
week. They are having some fine  
times together, studying how to carry  
on their religious activities in a  
better way. Each evening after their  
classes, there is an hour of fellow-  
ship together, of singing and general  
good times. A very cordial welcome  
is extended to all who would care to  
attend.

The Training Unions will begin on  
Sunday evening at 6:30 P. M. Please  
note the change in time. There will  
be new unions organized, for the  
Adults, Intermediates, Juniors, and  
Primaries. There are many of each  
age who are not now in the Training  
Union services who can take a part  
in leading out and in helping orga-  
nize these new unions. We need your  
help and you will be benefitted by  
coming. A hearty welcome awaits you.

The evening worship service will  
begin promptly at 7:45 P. M. Note  
the change in time. Come and wor-  
ship with us. There is good singing  
—fine gospel songs and preaching—  
friendly people that sincerely wel-  
come you. After the evening preach-  
ing service there is an hour of fel-  
lowship together, where we really  
get acquainted and have a good time  
together.

"I was glad when they said unto  
me, 'Let us go into the house of the  
Lord.'" A sincere and hearty wel-  
come awaits you. Come and wor-  
ship with us.

## MISSION FESTIVAL ST. PAUL'S LUTHERAN

We will observe our annual Mis-  
sion Festival this coming Sunday.  
The local pastor will preach at the  
morning service, and we have a  
guest speaker for the evening.

Sunday School at 10:00 A. M.  
Morning service at 11:00 A. M.  
Evening service at 8:00 P. M.  
Chaplain G. Schardt from the  
Hondo Navigation School will be the  
guest speaker at night. For many  
years he has been an outstanding  
Missionary in Texas. We cordially  
invite you to hear him.

Service has expanded and improved, and benefits have greatly increased.

III  
Household work has largely been eliminated and American labor sweats less and earns more than any other.

Second Lieutenants J. G. Barry, M. L. McDowell and J. W. Hill arrived home Tuesday from Miami Beach, Florida, where they have been attending Officers' Training School since the first of September. They are visiting their respective families here before being assigned to active duty. Lts. McDowell and Hill will resume their role of instructor at the AAF Navigation School here, but Lt. Barry was still unassigned Thursday morning.

Rev. C. Weeber, pastor of the Quikhi Lutheran Church, and Rev. M. J. Loring of St. Paul's Lutheran Church, attended the Fall Conference of the San Antonio District held at Marion, Texas, October 20th and 21st. Chaplain George Schardt of the AAF Navigation School and Mrs. Schardt also were in attendance Tuesday.

Rev. R. R. Gresham and Supt. H. C. Richards, new citizens of Hondo, have set a commendable example for others by enrolling as subscribers to the home-town paper. Rev. Gresham is the new pastor of the Baptist Church and Mr. Richards the new Superintendent of our schools.

Mr. and Mrs. Aug. J. Leinweber were business callers at this office Wednesday, renewing for their own subscription and also for each of their two soldier boys, Sgt. Eddie Leinweber of Fort Bliss, Texas, and Aviation Cadet Marvin Leinweber of San Antonio.

Mrs. Ralph Stiegler, the former Virginia Snow, informs us that her husband, Pvt. Ralph Stiegler, is stationed at Camp Crowder, Missouri. He has been in Missouri two months, ever since his induction into the Army, and is attached to the Signal Service Regiment.

Mrs. Walter Hitzfeldt was over from D'Hanis yesterday and sent the paper to her son, Pvt. George Hitzfeldt of the Marines. Private Hitzfeldt was somewhere south of the equator when last heard from and no doubt in the midst of the Solomon Islands melee.

Mr. and Mrs. George Karm and daughters and S/Sgt. and Mrs. Andrew May were Brackettville visitors Wednesday. They visited Mr. and Mrs. Theo. Barth and Mr. and Mrs. Ben Sittre and family.

W. C. Horger and Floyd Slater, former Hondo boys but now residing in San Antonio, were here Sunday, the former visiting his mother, Mrs. J. T. Horger, and the latter mingling with old friends.

Fritz De Grodt was a caller Friday to renew the subscription to this paper for his sister, Mrs. A. T. Forst. Mr. Forst, now well in his eighties, is one of this paper's oldest readers.

## RED CROSS NOTES

How the Red Cross is spending its \$70,500,000 contributed during the organization's recent war fund, on war services was explained today by Mrs. E. J. Leinweber, chairman of the Medina County Red Cross chapter.

The generosity of the American people, who gave over \$20,000,000 more than was originally asked during the organization's first war fund in World War II, made it unnecessary for the Red Cross to appeal for more funds before next March, Mrs. Leinweber said, adding that the Red Cross would not conduct its regular Roll Call this fall.

Basing her statements upon the organization's most recent report, "Since Pearl Harbor," Mrs. Leinweber said that more than half of the money is being used for direct services to the armed forces. The Red Cross, she pointed out, is responsible, under its Congressional Charter, "to act in matters of voluntary relief and as a medium of communication between the people of the United States and their Army and Navy." The Red Cross, she said is the "official welfare agency for the men in service—the only civilian welfare agency serving the armed forces wherever stationed." Added to that responsibility is an expanding program of recreation for servicemen in the United States and at foreign bases.

In the large camps of the country, she continued, there are 56 Red Cross Administration Buildings from which this service is rendered but in every camp, every base, every air station, this service is always available to our service men.

Further breakdown of the Red Cross dollar shows that 10 per cent is being used for civilian emergencies, 25 per cent for preparedness, civilian training and stockpiles, and 15 per cent is earmarked for chapters use, Mrs. Leinweber said.

"The reason for this particular report," she concluded, "is to give those millions of Americans who contributed their money to our last war fund a clearer conception of how their dollars are working for victory. As you know, the Red Cross will not conduct another financial campaign until next March. It has long been the policy of the American National Red Cross not to participate in joint fund raising drives, because of its charter obligations. As President Roosevelt recently wrote: 'The character of the Red Cross and its responsibilities are such that the national interests will best be served if the Red Cross maintains direct contact with the people for the membership and support necessary for its work at home and abroad.'"

## JOHNNY CROUCH IN LARGE CLASS OF EAGER WARBIRDS ENTERING RANDOLPH

RANDOLPH FIELD, Texas, Oct. 22.—Eager, determined aviation cadets of class 43-B this week began their basic flight training as members of one of the largest contingents of eaglets in the annals of the West Point of the Air.

Among the future skyfighters is Aviation Cadet John Crouch, 25, of Hondo. He is the son of Mrs. Ione Crouch. He received a bachelor of science degree at the University of Texas, where he was captain of the varsity swimming team. He was All-American in 1939 and holds State and Southern AAU records. After operating a boys' club, he enlisted in the Army Air Forces and received his primary flight training at Garner Field, Uvalde, Texas.

Randolph's new warbirds, who come from farms and cities throughout the Nation, are slated to complete their nine-week basic period during the week of December 7, first anniversary of the Jap's sneak assault on Pearl Harbor.

On completion of basic training, the cadets will move to advanced schools, after which they will receive Army Air Forces wings and commissions as flying lieutenants.

## RED CROSS CHAPTER MEETS

The Medina County Chapter of the American Red Cross met at the organization's headquarters in Hondo Tuesday afternoon, Oct. 20, with Mrs. E. J. Leinweber, County Chairman, presiding. Various reports of committees were given and the Secretary, Mrs. R. J. Noonan, read the minutes and the important instructions to the local organization from national headquarters.

Among the work accomplished by the Medina County Chapter since its last monthly meeting was the contribution of \$25.00 to a family in LaCoste who suffered heavy losses in the recent hurricane. Also two small radios were installed in the convalescent rooms of the post hospital at the AAF Navigation School of Hondo. Mrs. A. C. Gilliam made a beautiful afghan from yarn left over from Red Cross knitting and crocheting and this comfort has also been given to the field hospital. Members of the Volunteer Service cut and folded surgical dressings for use at the field hospital.

Additional surgical dressings will be made, and material for cutting and sewing, and yarn for knitting will be distributed to volunteer workers as soon as a Volunteer Service chairman is appointed to replace Mrs. O. B. Taylor, resigned.

The Red Cross class in Nutrition was organized Monday, Oct. 19, and regular study will begin next Monday, Oct. 26. Anyone wishing to take the course which is a pre-requisite for Red Cross Canteen Work, may still do so at Monday's meeting, and are requested to bring with them a loose leaf notebook and pencil. The class convenes at 4 P. M. at the courthouse.

Mrs. J. H. Burgin, Chapter Treasurer, gave the following financial report covering the period from April 19, 1942, to June 30, 1942:

## NEW U. S. O. DIRECTOR HERE

Mr. R. G. Powell of Fort Worth, Texas, arrived last week-end to take over the supervision of the local United Service Organization unit, replacing Mr. Edward Vial who has been transferred elsewhere. Mr. Powell, an enthusiastic worker for "his boys", comes here direct from the U. S. O. club at Wichita Falls, Texas.

He is especially anxious to meet the people of Hondo and to have their wholehearted cooperation in carrying on the U. S. O. work. To facilitate this, he urgently requests that local people attend the mass meeting called for Monday night by Dr. T. B. Knopp, chairman of the local Council.

To show the possibilities the U. S. O. offers for recreation facilities for the men in service here, Mr. Powell said that over 1400 soldiers came to the temporary U. S. O. lounge in Hondo last Sunday. As soon as all the improvements are made in the building, many times that many soldiers will be taken care of and to be able to do so successfully, the people of Hondo will have to give freely of their time and energies.

## EAGLE PASS DEFEATS HONDO

Eagle Pass scored a 6-0 victory over the Hondo High School Owls last Friday night at that border town. Substitute Back Willie Flores of Eagle Pass cut through tackle for 15 yards and the score in the fourth period after the two teams had battled to a scoreless tie for three quarters. Eagle Pass made 21 first downs to the Owls' four.

The Owls have an off night this Friday and will take advantage of the lull to get in readiness for the annual classic battle with Uvalde. The game is called for 8 p. m. Friday night, October 30, and will be played on Barry Field in Hondo. Tickets to the game are already on sale.

The Hondo Owls' remaining schedule includes two more home games, November 6th with Brackettville and Nov. 13th with Del Rio. The last game of the season will be played November 20th at Sabin.

## FOOD FOR FREEDOM LOANS AVAILABLE THROUGH FSA

Loans to finance production of additional food and fiber crops needed in the war effort are available to farmers and ranchers of Medina County at the Farm Security Administration office in Hondo, Texas. The FSA office for Medina County is located in the Leinweber building in Hondo. Regular office hours for Hugh F. Weaver, county rural supervisor, is Saturday morning of each week, however, application blanks are available on any day if you are interested in securing funds from this source.

Farmers and ranchers who can expand their dairy and beef herds and poultry flocks, raise more hogs, larger gardens and the food-producing crops may receive these loans if they are unable to get the financing from local credit institutions. Loans are available to ranchers who are desirous of expanding their sheep and goat herds if local credit is not available for this purpose.

"Farm owners, tenants, laborers, and even part-time farmers who have sufficient acreage to produce war food and fiber crops are invited to apply for these loans," Hugh F. Weaver said. "Terms are liberal and loans can be made quickly and easily. Every farmer in Medina County should put forth every effort at his command to produce the food products that are so vital if we are to win this war and we will," said Mr. Weaver.

## FLORY TO QUIT AT HARLINGEN

HARLINGEN, Oct. 19.—Coach C. M. (Dutch) Flory, who has guided the Harlingen High Cardinals to many football honors since he came here in 1936, will leave November 18 to work for Uncle Sam.

Flory has just received notice that he passed examinations for entry into the United States Navy as a chief petty officer.

Flory will be on hand for all games this season except the last one, with Brownsville on November 20.

Flory came here from Hondo, where he coached three years after concluding his college career at Texas A. & M., where he was quarterback on the Aggie football team for three years.

His Harlingen Cardinals have scored 54 victories in 80 games, and his 1940 team won the District 16-AA title.

## BE PATIENT ABOUT YOUR LICENSE

Austin, Oct. 19.—In a last minute rush, 20,000 Texans a day are applying for drivers' licenses, State Police Director Homer Garrison said today.

No old style licenses—the ones with two detachable segments—will be good after Nov. 1. The law provides that, unless the holders of these old licenses get their applications for renewal into the mail before midnight of Nov. 1, they will have to take an examination.

So many people have waited until near the deadline to file their application that "we are just about snowed under, Drivers License Chief J. B. Draper said. While the Drivers License Division is able to issue 10,000 renewals a day, it may be three or four weeks before late applicants get back their licenses.

### The Uvalde Leader-News. CRIME AT LOW EBB

Crime throughout the 38th Judicial District at this time is at the lowest ebb in many years, according to District Attorney Ralph Noonan of Hondo, here Monday to attend the opening of district court. All over the district there are fewer crimes being committed than in a number of years, he said. Judge Noonan attributes the decrease in crime to the fact that there is now plenty of work for everyone who desires work and also because many of the youths who were criminally inclined throughout the country are now in the armed services.

## From where I sit...

by Joe Marsh

DON'T ever argue with Grandma Hoskins about American history unless you know what you're talking about. Because when Grandma states a fact, it really is a fact.

The other day we got to talking about George Washington—who besides being a great general, was a public surveyor, a successful farmer, and a wise statesman.

"And he made mighty good beer, too," says Grandma.

That was news to most of us.

"You can see his private recipe for beer right in the New York Public Library," Grandma Hoskins tells us. "In his own handwriting, at that."

And then she opened up on how Washington and those others who founded America believed in beer and moderation. Told us about William Penn who had his own brewery down in Pennsylvania, and Israel Putnam... Samuel Adams of Massachusetts and James Oglethorpe of Georgia.

"Beer," Grandma goes on, "has grown up with the country because it's a symbol of good fellowship and moderation."

Way back in 1789, she told us, James Madison stood up in the

House of Representatives and made the motion urging "the manufacture of beer in every State of the Union." And that same year Massachusetts passed an act stating that "the wholesome qualities of malt liquors greatly recommend them to general use."

From there on—until early in 1918, the brewing industry kept growing and beer and ale kept getting better and better.

Then came prohibition... thirteen dark years that bred vice and crime. Grandma says it taught us something though—something that George Washington and all those other early American statesmen knew all along... that no law ever takes the place of self-restraint and moderation.

That's why they were friends of beer and made moderation a cornerstone of American freedom. They were right about a lot of things—Washington and Adams and Penn. And from where I sit, they certainly were right about moderation, too.

### MEDINA COUNTY GIRL GETS CLASS PRIVILEGES

DENTON, Oct. 21.—Students at Texas State College for Women who have a "B" average in all their subjects are entitled to class exemption this semester. Only 190 of the 2000 students enrolled receive this privilege.

To be eligible, all students with an unusually high scholastic average are

required to file application in the Registrar's office. If approved they are not subject to compulsory class attendance.

Miss Nina Mae Sisley, daughter of Mr. and Mrs. Leonard P. Sisley of Mico, has been approved for class exemption privileges. She is a sophomore majoring in bacteriology and laboratory diagnosis.

# Here's a "devil" that does GOOD

● Here is a "devil" that is worth while. The "go-devil" is a scraper device that cleans the interior of pipe lines. It is forced through the pipe by pressure of the Gas. The "go-devil" must be sturdy enough to withstand many miles of operation at high and low speeds, but must be flexible enough to go around the bends.

Building such a piece of equipment for Gas line cleaning was no easy job. But it is only one of the many daily tasks performed by United Gas workmen, so that your Gas service shall continue to be dependable. With the winning of the war as our No. 1 job, our responsibilities have increased many fold. And the "go-devil" is helping because by maintaining efficiency it is contributing greatly to the war effort. Dependable Natural Gas Service will continue to work for Victory.

## Washington Snapshots

by JAMES PRESTON

The anti-inflation bill is now law and major excitement over the bill itself has subsided for the time being while taxes and manpower move into the limelight.

### —WSS—

Rationing of manpower, the third major program for control of America's resources, has started. All critical materials are now being rationed to manufacturers by WPB. Consumer goods are being rationed by OPA. And now, through to War Manpower Commission and the armed services, labor is being rationed. OPA. And now, through the War, the seriousness of its growing shortage of men.

### —WSS—

Manpower will be rationed by the Government through (1) freezing of workers in essential jobs; (2) labor priorities for war producing operations; (3) transfer and assignment of workers to areas where war production demands require additional labor supply. The job-freeing program is already under way. Because the situation is so acute, manpower administrators will not wait for legislation.

### —WSS—

Five official steps toward the freezing of workers in jobs have been taken: (1) The War Manpower Commission directive freezing workers in their jobs in Western mines, lumber camps and mills. (2) The joint War Department and Manpower Commission instructions to manufacturers in the Third Army Depot Area (Philadelphia) freezing workers in war plants with only a few specific exemptions. Plans are under way to apply this pattern of labor control throughout the country. (3) The joint action of the War Manpower Commission and Selective Service in freezing farm workers. They have been advised that if they migrate from the farms they face immediate army induction. (4) The Government freezing of its own workers in Federal jobs and vesting in the Civil Service Commission authority to place employees where they can best serve the war effort. (5) The Selective Service order to reclassify coal miners guilty of absenteeism. This action can be applied to other workers under a new order providing for reclassification of deferred draft registrants who are "not supporting or are adversely affecting the war effort." This point is interpreted here as the official "work or fight" policy to be applied wherever or whenever officials deem it necessary.

### —WSS—

It is expected that labor draft legislation will be tough. One big question that is bothering Congress and armed service officers is "Must drafted workers join unions and must closed shops be opened to non-union draftees?" The recent statement of Admiral Moreell at the AFL convention that the American people could not live without labor, but could live without unions and that "they will damn well live without them here if all of us don't get in there and pitch," and others made by top officials, puzzle some at the Capitol who wonder whether they have spoken out of turn.

## TO THE VOTERS OF COMMISSIONER PRE. NO. 2

At the request of many friends, I have consented to announce that I will run for Commissioner for Precinct No. 2 of this county to be elected at the General Election to be held on the 3rd day of November, A. D. 1942.

My name will not appear on the official ballot, hence it will be necessary for those who desire to vote for me to run a line through the name of the one whose name will appear on said ballot or ticket, and then write my name in with BLACK INK on PENCIL.

Your vote and support will be greatly appreciated.

## THE WAR

A summary of the past week's war events reviewed by The National Editorial Association Defense Advisory Committee in cooperation with the Office of Government Reports.

OCTOBER 20, 1942

Acting at the suggestion of the President and the request of the War Department, the House passed and sent to the Senate legislation to reduce the minimum draft age from 20 to 18. The bill provides that those who are in high school or college may finish the present school year, but after next July educational deferments would be forbidden. The bill would also make mandatory the policy of calling all single men in a state before calling married men, and then calling all childless married men before men with children.

Secretary of War Stimson announced there are approximately 4,250,000 men in the Army at present and this total will be increased to 7,500,000 by the end of 1943—distributed as follows: 3,300,000 in the ground forces, 2,200,000 in the Air force, 1,000,000 in training and 1,000,000 in supply services. Mr. Stimson said 18 and 19 year-olds are more responsive to leadership, are not as easily fatigued and make better soldiers than older men. He said there is danger at present that the Army might get too old. In March of this year the average age of divisions being activated was 26 years and 2 months, but in August the figure had risen to 28 years and 2 months.

If the draft age is lowered to 18, a 7,500,000-man Army can be built up in 1943 without calling married men with children. Selective Service Director Hershey reported, Induction of married men with wives only will begin immediately to fill the Army's call for 1,100,000 by January 1, he said.

## The War Front

Secretary Stimson announced that ground units of the Army are now aiding the Marines in the defense of Guadalcanal in the Solomons, and Army air and ground troops are now stationed in New Zealand, New Caledonia, the New Hebrides and Fiji Islands. "The Japanese are continuing to bomb our airfield and shore positions on Guadalcanal Island and it is believed that enemy troops and equipment are being disposed for a strong assault against our airfield," the Navy reported October 18. During the early morning of October 17, about 14 enemy bombers, escorted by 8 fighters, attacked the Guadalcanal airfield and shore positions, the communicate said, but U. S. fighters and anti-aircraft batteries shot down all the bombers and two of the fighters. These latest raids brought the toll of Japanese aircraft since the Solomons fighting began last August to 307 of all types destroyed.

"Although large numbers of Japanese troops are known to be on Guadalcanal Island, there has been as yet no full scale land fighting," the Navy said. "Our losses in the current fighting, to date, (October 18) have been minor, but in a battle of this nature losses must be expected. All information on the fighting in the Solomons which is not valuable to the enemy is being announced as soon as possible after being received." General MacArthur's Headquarters reported October 19 that Allied bombers attacking Japanese shipping concentrations off Buin in the Northern Solomons scored probable hits on three enemy cruisers, a large seaplane tender, seven flying boats and several cargo vessels. In the Aleutians, U. S. ground forces took a third island in the Andreanof group, and Army medium bombers bombed two more enemy destroyers near Kiska.

**Farm Prices and Production**  
President Roosevelt, in a radio address, said "We are learning to ration materials; and we must now learn to ration manpower. . . . Perhaps the most difficult phase of the manpower problem is the scarcity of farm labor. . . . Every farmer in the land must realize fully his production is part of war production, and that he is regarded by the nation as essential to victory." Agriculture Secretary Wickard, as chairman of the WPB Food Requirements Committee, reduced production goals for such crops as cantaloupes, cucumbers, watermelons, and celery, and said "first consideration" would be given to winter vegetables which require the least labor in relation to their nutritional value. Mr. Wickard also called for a 10 per cent increase in 1943 spring hog production over the 1942 record crop, asking for about 68 million head as compared to the 1942 crop of 62 million head.

He estimated 1943 requirements of dressed pork for the U. S. Armed Forces and lend-lease will exceed 1942 requirements by more than one billion pounds.

The Department of Agriculture reported farm wage rates on October 1, were 220 per cent of the 1910-14 period and the highest since 1920. The average rate per day without board, \$2.76, was up 31 cents since July and up 72 cents since the previous October. The Department said its total September purchases of dairy products, fish, fruit and other commodities amounted to \$115 million, compared with the August total of \$83 million. The Department is now buying 17 key foodstuffs every week and 11 others every two weeks.

## Rationing

The Office of Price Administration ruled that after next January 31, all motorists holding A mileage rationing books must have their tires inspected every four months and those receiving books allowing them supplemental mileage must have their tires inspected every two months. Original inspections of tires on all passenger cars must be made between December 1 and January 31, while commercial vehicle tires—which must be inspected every two months or every 5,000 miles, whichever comes first—may be checked any time after November 15.

Price Administrator Henderson set November 9 as registration day for gasoline rationing in the states where rationing is not already in effect, while motorists in the present rationing area must file a tire inspection certificate with their local rationing boards by November 22. Car owners in the latter area must list the serial numbers of all their tires, and if there are more than five per car, the owner will be denied gasoline ration books until he has disposed of the extra tires. Mr. Henderson said the Government already has started to purchase from car owners all new or used tires in excess of five per automobile. The Defense Supplies Corporation, which has advanced \$150,000,000 for the program, has designated 160 warehouses throughout the country as delivery points, and the 23,000 offices of the Railway Express Agency will collect the tires and bring them to the warehouses.

The OPA said war ration sugar stamp No. 9 will be good for the purchase of three pounds of sugar between November 1 and December 15. The sugar allotments for institutional and industrial users for November and December were set at 50 and 70 per cent, respectively, of the sugar base established by them.

## Maximum Prices

A specific price ceiling for women's rayon hose will be issued soon, the OPA said, and in the meantime, buyers should carefully compare prices with those of last March to make certain they are not being overcharged. "There is no excuse for any increase in the price of rayon hosiery," the Office said. The OPA placed dried eggs under price control at the highest levels at which distributors did business during the September 28-October 2 base period. The Office also set up a method for retail dealers to determine their ceiling prices for fresh grapefruit.

## Stabilization of Wages

Director Byrnes of the Office of Economic Stabilization said the War Labor Board will regulate all salaries under \$3,000 and those up to \$5,000 which are covered in wage agreements. He said the Treasury Department is preparing regulations for salaries of more than \$3,000 other than those handled by the Board as part of wage regulations. The WLB ruled individual wage adjustments may now be made by employers without prior Board approval providing they are "incident to the application of the terms of an established wage agreement or to established wage rate schedules covering the work assignments of employees" and are made as the result of certain established practices.

## WHEN SUMMER ENDS

When daybreak lights her lamp at dawn  
And floods the window panes with sun,  
The heart leaps like a frightened fawn,  
Frenzied at the chance to run.  
We hail the wind-songs summer brings;  
We hum the trills the birdies teach  
And cast a smile on glassy springs,  
That go so far beyond our reach.

But winter steals this soul's delight  
And our lamps of joy flutter out,  
While dreams that wander thru the night  
Are sunk within the womb of doubt.  
The wells of comfort all gone dry,  
Yet hearts, bleak as a frozen tree,  
Will find it dignified to cry  
When summer ends for you and me.

L. Mann and son, William, were  
 seen callers at this office Friday  
 last week. The gentlemen were  
 over the small grain and pas-  
 ture conditions but lamented the fact  
 that much corn is being lost on ac-  
 count of the rains.

Mr. and Mrs. M. F. Wiemers and  
 daughter, Vernell, from San Antonio  
 weekend visitors here. While  
 in Hondo they paid the Anvil Herald

 where in his paper. The official bal-  
 lot, conforming in all local aspects  
 to the announcements as shown  
 therein, is already printed and if  
 your choice does not appear thereon  
 your recourse is to write in the name  
 of your choice in the proper blank  
 space. This is being requested by Mr.  
 Herman J. Bippert in the Castro-  
 ville precinct, he having failed to  
 file in time to appear on the printed  
 ballot.

D. G. Reitzer was a business call-

 Reitzer, a native of Quibi, has many  
 interesting reminiscences and has  
 seen many changes in his day. From  
 watching to avoid a surprise attack  
 from Indians while his father hauled  
 wood with an ox-team to watching  
 the modern airplane zooming over-  
 head is some transition in one life-  
 time. Among other memories is that  
 of helping as a twelve-year-old boy  
 older men punch cattle over what is  
 now the Hondo Navigation School.

 AT BIRY

J. T. Stover of San Antonio was  
 killed and an unidentified man was  
 injured in an accident early Wednes-  
 day morning at the end of paved  
 highway 173, at Biry. The accident  
 occurred when the men failed to  
 notice the turn in the road. We un-  
 derstand both men were employed  
 at the air field here.

Mrs. Fritz A. Hartman was a call-  
 er at this office Thursday and ordered  
 the Anvil Herald for her brother,  
 Roy J. Brucks, changed from Bisbee,  
 Arizona, to San Diego, California.  
 Roy worked in the mines at Bisbee  
 until he enlisted in the U. S. Navy

LIVESTOCK MARKET REPORT

Monday, October 19, 1942

HOGS—Estimated salable and to-  
 tal receipts 800. The week's initial  
 session in the San Antonio hog divi-  
 sion developed on a fairly active  
 basis at steady prices with the top  
 10c higher as compared with last  
 week Friday. A \$14.10 top took  
 a short load Choice 236 lb. weights  
 while the bulk Good and Choice  
 180-270 lb. butchers made \$14.00.  
 Comparable grade 160-180 lbs.  
 ranged from \$13.50-\$14.00. Limited  
 numbers 140-160 lbs. brought \$13.00-  
 13.50. Most sows averaging 450 lbs.  
 and under cashed at \$12.75-13.00.  
 Feeder pigs met ready outlets at  
 \$12.50-\$13.00.

CATTLE—Estimated salable and  
 total receipts 1,400; CALVES 3,200.  
 Trading in the cattle division ap-  
 peared considerably more active than  
 last week Monday with all slaughter  
 classes on a steady to strong basis.  
 Some calf sales appeared 25c or  
 more higher with cows strong to 25c  
 up. Rather small supplies Common  
 and Medium steers and yearlings  
 cleared a \$9.00-11.75 and included  
 a load of rough but fat 1453 lb.  
 straight grass heaves at \$11.50. A  
 load Medium to just Good around  
 450 lb. yearling heifers turned at  
 \$11.75.

Scattered lots Good beef cows  
 ranged from \$9.25-9.75 while Com-  
 mon and Medium selections turned  
 chiefly at \$8.00-9.00. Cannery and  
 Cutters brought \$5.00-7.75 in most  
 cases. Bull trade was especially ac-  
 tive as most Common and Medium  
 sausage styles turned at \$8.50-9.90  
 and odd head reached \$10.00. A few  
 light weight Cutter individuals se-  
 cured \$7.50-8.00. Good slaughter  
 calves changed hands at \$11.00-  
 11.50 with Common and Medium at  
 \$8.50-10.75 and Culls mainly \$7.00-  
 8.25. A few Choice calves reached  
 \$12.00.

Stecker calf supplies proved re-  
 latively scarce and values shaped up  
 strong to 25c or more higher. Good  
 and Choice steer calves cashed at  
 \$11.00-12.50 and a short load Choice  
 around 375 lb. weights reached  
 \$12.85. Common and Medium mixed  
 lots brought \$9.00-10.75. Good year-  
 lings claimed \$11.00-11.50. A load  
 Medium grade three year old steers  
 secured \$11.00.

SHEEP—Estimated salable and  
 total receipts 1,400. Generally steady  
 prices prevailed for sheep and goats.  
 A part load Medium grade No. 3  
 pelt wethers made \$6.50. Around  
 four loads Culls and Common No. 2  
 pelt ewes brought \$4.75. Load-lots

slaughter goats realized \$3.75-4.25  
 and a few rank Culls dropped to  
 \$2.75.

 Local Representative.

WOMEN WANTED TO JOIN  
 WAAC'S

"The demand for auxiliaries of  
 the Women's Army Auxiliary Corps  
 is becoming more and more urgent.  
 They are needed to replace soldiers  
 eligible for combat duty now being  
 used in military personnel offices,"  
 Colonel Kinzie B. Edmunds, District  
 recruiting officer announced today.  
 "Along with Aircraft Warning  
 Service specialists, duty leaders,  
 stenographers, switchboard opera-  
 tors, drivers, cooks, bookkeepers, ty-  
 pists, dietitians, clerks, camera tech-  
 nicians, photo laboratory technicians,  
 radio mechanics and basics are  
 among the categories most needed  
 at present."

ors, drivers, cooks, bookkeepers, ty-  
 pists, dietitians, clerks, camera tech-  
 nicians, radio mechanics and basics  
 are among the categories most need-  
 ed at present."

"It is desired that there will be  
 representatives from each of the 67  
 counties in the San Antonio District  
 enrolling in the Women's Army Aux-  
 iliary corps," Colonel Edmunds con-  
 tinued. "To date many of the coun-  
 ties are already represented. How-  
 ever, so far as we know, Medina  
 county does not have a single woman  
 enrolled in the WAAC. Since the  
 outbreak of the War, men from this  
 county have flocked to the recruit-  
 ing station and now that the women  
 are realizing that there is a definite  
 place for them in the Army and that  
 the war has really taken a serious  
 trend, we expect a rush in that di-  
 rection in the near future," he con-  
 cluded.

Women from Hondo can make ap-  
 plication for the Women's Army  
 Auxiliary Corps at the Army re-  
 cruiting station in San Antonio, or  
 at the San Antonio District Head-  
 quarters in the American Hospital  
 & Life Building in San Antonio.

CASTROVILLE, TEXAS TUESDAY, OCTOBER 20, 1942

## MONTHLY MEETING OF C. Y. O.

Opening prayer was said and the meeting was called to order by the president. The treasurer gave a report.

A motion was made by Laura Mae Schott that the club ask some Catholic soldier boys for breakfast at our next regular communion Sunday and all go to communion in a body which was agreed on by all. The members are looking forward to this occasion.

Eloise Haegelin gave a very interesting talk on "The Power of the Rosary." Tommy Frey was the name drawn out of the hat for our next meeting.

Father Lenzen and all the members signed the Christmas cards to be sent to our members in service who are across the seas. The others will be signed at the next meeting. The meeting adjourned.

The Saus served a delicious lunch consisting of sandwiches, cookies, and coffee. Those on the serving committee were Angelina Scherrer, Clarence Keller, Cornelius Fisher, Howard and Leon Mechler. Rio Medina will serve next.

The club was sorry to learn that two more members were inducted into service since our last meeting. They were Milton Tschirhart, who is in the U. S. Coast Guard, and Alfonso Scherrer in the U. S. Army.

Everybody was reminded of communion Sunday, Oct. 18th.

—Reporter.

## ZION'S LUTHERAN CHURCH

Sunday, Oct. 25, 1942

10:00 a. m. Sunday School and Bible Classes, William H. Santleben, Supt.

11:00 a. m. German Reformation Service.

Holy Communion will be celebrated on Sunday, Oct. 25 in the German language, and on Sunday, Nov. 1st, in the English language. We kindly invite our dear members to please attend Holy Communion.

Rev. A. L. Wolff, of San Antonio, will speak in our church next Wednesday, Oct. 28th at 9:00 o'clock at night on Christian Evangelism. Please come out to hear this fine speaker. Our congregation highly appreciates Pastor Wolff.

Lutheran Ladies Aid will meet on Thursday, Oct. 29, at 3:00 o'clock in the afternoon in the Fuos Bldg. We thank our dear members for the wonderful fine spirit of giving so freely towards missions. Professor Streng preached two splendid sermons. This is to remind all members and friends of Zion's Lutheran church, that we are trying to make each service of our church to be inviting and inspiring to one and all who will come our way at any time. And that we herewith extend a most cordial, personal and urgent invitation to each and all to worship with us next Sunday. Come one and all, to work and worship with us. The church with a welcome.

A. H. FALKENBERG, Pastor.

## NEWS NOTES FROM THE NAVIGATION SCHOOL

Continued from First Page

Performers in the "Funzapoppin'" revue will be those who have appeared in recent shows at the Enlisted Men's Service Club at the Navigation School. The production will be directed by Pfc. Sammy Schachter formerly of Earl Carroll Vanities Shows. Included in the cast will be Pvt. Alfred De La Fuente, former member of the "Eternal Road" cast and featured player in many NBC network dramas; Pvt. Hank Ainsbinder, former manager of the Dead End Kids; the Fleischman Twins, Bill and Stan, formerly with Dante the Magician; Pvt. Leon Goldstein, former violinist with Leopold Stokowski's National Youth Orchestra; Pfc. Sid Shanman, featured drummer with the New York production of "Funzapoppin'"; and many others.

Following the performance of "Funzapoppin'" Sgt. Doug Ackley and his AAFNS band will play for dancing at the U. S. O. club.

## HONDO CONTRIBUTES HUGE AMOUNTS TO SCRAP DRIVE

The people of Hondo contributed 5,000 pounds of scrap rubber and 25 tons of scrap iron to the current scrap material drive under way in Medina and Uvalde counties. Lt. Donald F. Halfpenny, salvage and reclamation officer of the Navigation School, announced this week.

All of the scrap metal and rubber piled in the yards of the three Hondo schools was collected this week, and deposited in the massive scrap dump on the post. Three loads of scrap material were also collected this week from D'Hanis.

With a major portion of the available scrap collected in Medina and Uvalde counties, the campaign was extended this week to Bandera, Zavalla, and Frio counties. Trucks from the Navigation School will assist in collection of the scrap from these additional areas, Lt. Halfpenny announced.

The total amounts of the various scrap items collected in the drive were estimated this week by the salvage officer. According to Lt. Halfpenny's report the following amounts have been collected in Medina and Uvalde counties: 286.5 lbs. of aluminum, 246 lbs. of brass, 217 pounds of copper, 296 pounds of lead battery plates, 400 lbs. of automobile radiators, 113 tons of scrap iron, 1,126 lbs. of mixed scrap rubber, 4,849 lbs. of automobile tires, and 866 lbs. of truck tires.

As the drive continues throughout this area, Lt. Col. Paul L. Carroll, Navigation School Post Quartermaster, has written letters to mayors and county judges in Bandera, Zavalla, and Frio counties, offering to provide drivers, trucks, and labor needed for collecting the material. Organizations and individuals who have accumulated scrap are urged to contact their respective mayors or judges.

## FIVE HONDO MEN ENLISTED AT NAVIGATION SCHOOL

Forty-six men from regions nearby Hondo, including five men from Hondo itself, have been enlisted as mechanics and radio technicians and are now stationed at the Army Air Forces Navigation School here.

Names of the men were announced this week by Capt. E. G. McElmore, technician procurement officer at the Navigation School. They are:

From Hondo: Chester M. Balzen, August C. Steffler, Otis H. Burrell, Charles R. Finger, and Paul G. Morrison.

D'Hanis: James A. Wolff, Louis C. Richter, and Joseph M. Zinsmeier.

## PFC. STEWART TO HEAD CIVILIAN GROUP AT NEW AIR FIELD

Pfc. Edward S. Stewart, 37, a practicing attorney at law before his induction into the army, will be transferred from the AAF Navigation School to a new air corps advanced flying school at Altus, Oklahoma, November 1, and placed in charge of civilian personnel of the Quartermaster Corps there.

Pfc. Stewart, assigned to the 908th Quartermaster Corps at the AAFNS, is now in charge of dependency allotments for the enlisted men of the field.

Prior to his entry into the armed forces in August, he was a member of the New York law firm of Stewart and Shearer. He attended Princeton University and holds an LLB from Harvard University.

## VACANCIES STILL EXIST IN THE 324th AAF BAND

Players of band instruments may find an outlet for their talents at the AAF Navigation School by transferring into the 324th AAF Band.

Squadron, Tech. Sergeant Mahlon B. Salmund, acting director of the band, announces.

Several vacancies still exist in the band. These may be filled by enlisted men now on the field. Transfers into the band squadron may be arranged. T/Sgt. Salmund explained.

All band musicians interested in joining the band are urged to contact T/Sgt. Salmund at the 324th AAF Band Squadron. The phone number is 525.

## MASTER SERGEANT IS HONORED BY GRADUATING CLASS

For his meritorious service as a mechanic-engineer, Master Sergeant William J. Mareth, 27, was made an honorary member of graduating Cadet Class 42-14 last Saturday morning at the AAF Navigation School.

M/Sgt. Mareth was awarded a plaque citing him for his outstanding service. The plaque was presented by Lt. John M. Platt of Sumter, S. C., cadet colonel.

The master sergeant, whose home is Cameron, Texas, has been in the army since 1938. He was made a master sergeant on October 1 this year. He is a member of the 839th School Squadron, and works in the engineering office of his group.

## PRIZES AWARDED IN POST AMATEUR HOUR

The AAF Navigation School's first Amateur Night, conducted last Friday night at the Enlisted Men's Service Club, brought out a host of competitors for the three prizes offered. Following the amateur hour, music for dancing in "barn dance" manner was furnished by the AAFNS orchestra directed by Sgt. Doug Ackley.

First prize in the amateur hour was awarded to Johnny Nadziak, hot harmonica player of the 843rd School Squadron. Second prize went to Edmund C. Jackawiak, 836th School Squadron, who gave a torrid performance on the drums. The third place winner was Corp. Kenneth Jones, tenor soloist of the 369th Air Base Squadron.

## RED CROSS DIRECTOR EXPLAINS SERVICE TO GLIDER PILOTS

Services rendered by the American Red Cross to men in the armed forces are being outlined to glider pilot trainees at the AAF Navigation School by Lawrence Schuerman, Field Director of the American Red Cross.

Mr. Schuerman addresses a group of glider pilots each Monday at the Navigation School Post Theatre.

Mr. Schuerman quoted a statement by Capt. Harlan F. Baker, commanding officer of Headquarters and the Headquarters Squadron, one of the largest Army units at Lowry Field, near Denver.

Capt. Baker's statement was as follows: "While the general public may have the notion that other services of the Red Cross are of first importance, the commanding officer of a squadron knows that Services to the Armed Forces are indispensable."

The captain continued, "I instruct my entire personnel as to the possibilities of the Red Cross functions, and find that not only enlisted men, but officers also, take advantage of Red Cross financial assistance when problems arise which they cannot handle thru their individual efforts. Without Red Cross investigation the information which is necessary for commanding officers to have when a member of the armed forces needs help would not be available."

## POST CHAPLAIN'S NOTES

By Lt. George W. Schardt, Post Chaplain

This generation has never seen a time as serious as the present emergency. Many are prone to become pessimistic beyond measure. There is no need for this, however.

History reveals many dark and bloody periods; but better times, yes, often a long era of prosperity and peace follows. The horrors of war also teach us many good things which we overlooked in good days. Above all, we learn to "lift up our eyes unto the hills from whence cometh our help." The Lord still reigns, and blessed the nation whose God is the Lord! We are learning discipline, service beyond measure, giving until it hurts. Yes, people willingly sacrifice their all, even their lives. This is a good sign, and should be a lesson for all of us how we ought to give and serve and sacrifice for the Lord.

Brigadier General Earl Naiden returned from Java and India recently. The officers of this Post were fortunate to be able to hear his interesting lecture last Saturday. One thing impressed me especially, namely his emphasis on religion, or rather the comparison between the many gods of the heathen and our true God and Savior, Jesus Christ. In India, millions live in poverty and filth. They are diseased beyond measure. To them cows are sacred and more precious than man himself. Their children are half-starved all of the time; some of these poor creatures are purposely crippled to become beggars for the household. Women are slaves and do all of the hard labor. In some casts, the woman dares not leave her home after marriage. The average span of life is 30 years.

Many of us have read things in books. Now many, like General Naiden, see it with their own eyes. Yes, here in America we live in a veritable heaven. It's too bad that many do not know it and do not thank God for it. Where Christians-

ty has entered the boundaries of nations, where home and individuals have opened their hearts to this saving Gospel, men experience a complete change, and with it also the community changes. The evil consequences of sin flee before "the Light that shineth in darkness."

Perhaps the very fact that this way scatters people all over the face of the earth will also have its beneficial effects. Christians, true believers will be brought into these dark places of the earth. And who knows? Many will indeed be "a salt to the earth and a light to the world." Perhaps when everything is over, even India and dark Africa will experience some of the blessings of Christianity which are ours in this "land of the free."

## WARRANT OFFICERS APPOINTED AT NAVIGATION SCHOOL

Nine enlisted men of the AAF Navigation School at Hondo were honorably discharged from the Army this week and became the Hondo school's first Warrant Officers—the army officers who are addressed as "Mister."

Eight of the men were assigned to duty at the Navigation School, the ninth was transferred to another field.

The men received their warrants after successfully completing the physical and mental tests required for army warrant officers. All of them were appointed Warrant Officer, Junior Grade.

The new Warrant Officers are: Messrs. John R. Goetz, former Tech Sergeant, 842nd School Squadron; Alonzo R. Johnston, former Staff Sergeant, 844th; Louis Finkel, former Master Sergeant attached to the 908th Squadron and assigned to Post Finance; James C. Taylor, Sgt. 839th; Howard W. Gilmore, Staff Sergeant, 844th; Johnny W. Burrell, Staff Sergeant, 844th; Robert S. Greene, Staff Sergeant, Medical Detachment; Lero, W. Sweet, Tech Sergeant, Finance Detachment; and Nelson W. Koscienski, Staff Sergeant, 844th.

All will remain at the Navigation School with the exception of Warrant Officer Sweet, who has transferred to another field.

## HONDO NAVIGATION SCHOOL TO COLLECT COUNTY SCRAP

AAF Navigation School, Hondo, Texas, Oct. 20.—The Army Air Forces' cooperation with charitable and civic organizations in the nationwide collection of scrap metal has been extended in this area to Bandera, Zavalla and Frio counties, Lt. Col. Paul L. Carroll, Hondo Navigation School Post Quartermaster, announced here.

With more than 200,000 pounds already collected in Medina and Uvalde counties, Col. Carroll has written to mayors and county judges in the three counties offering to provide organizations with drivers, trucks and the labor needed for loading in an effort to speed up this vital drive. Organizations and individuals who have accumulated scrap are urged to contact their respective mayor or judge.

"The nation wide drive which must bring forth every available pound of scrap metal from every corner of the country for our war industries has received the enthusiastic support from the people of this region," Col. Carroll declared. "I have every confidence that when we are finished we shall have accumulated more than 400,000 pounds in this section of Texas, thanks to the support we are being given."
